OVERVIEW

This week we continue in our nine-week sermon series entitled “The Topography of Discipleship: Finding Our Way As The Church Today” in which we will explore the five relational contexts that God uses to bring us to maturity as followers of Jesus. These contexts are taken from the book *Discipleship That Fits* by Bobby Harrington and Alex Absalom. The series will alternate between exploring what a specific relational context does for our discipleship and how we might encourage the context in our community of faith at GBC. The discipleship menus will seek to help explore the principles and apply them in our lives.

Each “menu” will follow the same pattern: some passages of Scripture to reflect on, a few questions to consider, a text to internalise, and a theme to pray about. We encourage you to listen to the sermon (either “live” or through the GBC Sermon Podcast) as a helpful foundation for the menu. We will also include the chapter you could read from *Discipleship That Fits* if you are keen to do so.

This week we examine the “how” of the Social Context; a group of twenty or more who relate and connect with each other and where discipleship occurs in community, practice, and mission.

Discipleship That Fits – read chapter 7, “Missional Communities Demystified: Discipleship in the Social Context”

1. PASSAGES TO MEDITATE ON

As you read these greeting passages reflect on the interaction of community (relational warmth), practice (a place in God’s mission), and mission (the invitation to participate in God’s plans).

NOTE: These were the three aspects of the personal context drawn out from Sunday’s sermon. You can listen to this on the GBC Sermon Podcast.

- Luke 10:1-24
- Acts 2:42-47
- 1 Corinthians 12:7-11
- Ephesians 4:17-5:2
- 1 Thessalonians 2:1-16

2. JOURNALING QUESTIONS

1. Reflect on a time when you “had a go” in ministry. What are the conditions that make “having a go” a positive experience? What obstacles are there to creating a culture where “having a go” is a positive experience?

2. Who can you encourage to “have a go” in ministry? How can you do this and help them?
3. What kind of impact would this kind of culture have on our community of faith? Describe the sort of community we would be.

3. PRAYER THEME

Ask the Holy Spirit to illuminate where you can (and how you can) practice; using your gifts, skills, and abilities to help our community of faith fulfil God’s plans for us.

4. A TEXT TO INTERNALISE

Romans 12:6-8

**The five contexts are: The Divine (you and God), the Transparent (you and one or two others), the Personal (you and a Life Group), the Social (you as part of mission team), and the Public (you in a Sunday service).*
